Colonel Paul D. Green
Headquarters USAF AFRAGE
Pentagon
Washington, D. C.

Dear Colonel Green:

This is just a personal note of appreciation for the excellent and highly informative presentation given by you and Colonel Collins yesterday at CIA. The strong recommendation given me by General Giller for this briefing was well-founded. Our senior officers were greatly impressed with the thorough coverage which afforded them new insights into the R&D problems facing the Air Force in Southeast Asia.

We are mindful of the areas in which you suggested our assistance would be welcome. [] of my Office of Research and Development already has raised a matter with you which merits further discussion.

We hope that your efforts will reap even greater interest in the future. Once again, please accept our thanks.

Sincerely,

STATINTL
